## October is Archaeology Month

The Classics Society celebrates Archaeology Month this October.

On **October 5th**, Professor David B. George will present the Archaeological Field Report where he will discuss the finds from the Summer 2016 Orvieto, Italy excavations.

The Classics Society will also be having an Egyptian Workshop on **October 13th** led by Professor Gonzales. This is a good opportunity to learn more about ancient Egypt and its art.

During Family Weekend, the Classics Society will be hosting their annual Dig Day on **October 22nd** from 1-4 PM in the Ozone. Bring your family and friends and experience what it's like to work on an excavation!

Finally, the Classics Society invites you to join us for their annual Fright Night in Haunted Alumni on **October 27th**. Ancient and modern ghost stories will be told as well as some tales of Alumni Hall. Try the tasty treats if you dare...
